cases and active learning exercises in managerial accounting. It is aimed at the introductory management accounting courses at the undergrad and MBA levels. The use of cases helps professors employ a decision-making emphasis and will appeal to universities as fewer and fewer 4-yr schools take a procedural approach to management accounting. This casebook will emphasize professional judgment and will highlight the major challenges faced by management accountants in a modern organization. This casebook will be used alongside any intro textbook and will provide us with a secondary product to the Mallokk, Sprakman, Raiborn textbook. The Schulich School of Business at York University, where Alan Richardson is teaching, has an international reputation.
